Dear Rohan,

Request for Trading Halt - Pipe Networks Limited (PWK)

PWK requests a trading halt from the quotation of its listed securities.

1. **Reason for the Trading Halt**

The trading halt is requested pending an announcement to the market in connection with a proposal received by PWK which the company needs to review and give full consideration. The trading halt is necessary as otherwise trading in securities may take place in an uninformed market.

2. **Length of the Trading Halt**

From 4 November 2009 and continuing until PWK is in a position to make an announcement to the market concerning this matter. PWK expects the further announcement concerning the outcome in relation to the potential transaction will be made in the coming days.

3. **Events expected to happen to end Trading Halt**

The announcement referred to above.

PWK is not aware of any reason why a trading halt should not be granted.

Yours faithfully

Louise Bolger
Company Secretary
